Paul,
I am sharing the current draft of the presentation that EPA and TCEQ will present at the meeting. EPA will start the presentation, hand off to TCEQ for their portion, and then resume again to finish out. We will bring a copy of the final presentation to the meeting on a USB drive. Thanks.

County Commissioner John Wiley Price will be in attendance to answer questions, but he will not be on the agenda as a speaker.

I was told by the County that this is more of a Texas Department of Health issue. But the County may send a speaker for the agenda. I'm waiting.

Councilman Atkins assistant reached out to the County several weeks ago. She is out today, but I did send her an email this afternoon asking for updates.

I'll let you know something tomorrow.

Paul,

Do you know if the Dallas Co Health Department is sending anyone? The TX health department (TX DSHS) did not know that they were invited to speak at this meeting and they do not have anyone who can attend on short notice. Jennifer Lyke from ATSDR may be able to attend but she is not familiar with the site. She would like to know if the Dallas Co Health Department is going to attend.
